

04:23:02 Hafidha - Songaia: Thanks Karen. Will make a donation today.

04:42:04 Hafidha - Songaia: I'll show you later, Laura!

04:44:29 Susan - Pleasant Hill Cohousing: It would be great for someone to actually post details about any online Zoom games!

04:44:30 jessica bridges, l'arche portland: Can people share which games worked for zoom game night and courtyard games?

04:44:52 Karin H -Wild Sage: Farkle dice

04:45:22 Susan Aria Cohousing: Are there games anyone has played with kids on zoom or FaceTime?

04:45:44 Susan - Pleasant Hill Cohousing: Dialog circles - basically a sharing circle

04:47:12 Hafidha - Songaia: I think it's important to take action and get the folks connected via Zoom or Ring Central or whichever meeting app they want to use. Can't let the isolation go too long.

04:52:45 Linda Reed--Wasatch Commons, Utah: Perhaps Charades can be played over zoom as well.

04:53:03 Hafidha - Songaia: Linda - definitely!

04:53:26 Neil - Swan's Market Cohousing: Happy Birthday Linda!

04:58:35 Hafidha - Songaia: One of our members has a PRO Zoom account and this has helped a lot - he's allowed us to use his PRO account to hold many of our meetings and gatherings. Another member recently purchased a Zoom PRO account so we'll have a second option.

04:59:53 Neil - Swan's Market Cohousing: WebChat #2 Karen Gimnig ::

04:59:57 Hafidha - Songaia: I've read on Twitter: "Christine Woods @stendahlknows "PSA: If you want to still have movie night with friends without risking COVID-19 spread, Chrome (the web browser) has an extension called "Netflix Party" that allows you to simultaneously stream Netflix with friends. It has a chat window and play/pauses for everyone in the group so you stay synced.

05:02:16 Karin H -Wild Sage: Libby - exchange the letters (or copies of) around your community, it would be like a real life 'soap opera'!

05:05:19 Karen G - CohoUS: [cohousing.org/past-web-chats](https://www.cohousing.org/past-web-chats) Webchat #2 - Dialogue structure for deeper conversations.

05:08:16 Linda Reed--Wasatch Commons, Utah: The love letters could be scanned and saved digitally.

05:11:15 jessica bridges, l'arche portland: An article with graphics to help get one's head around the benefit/effectiveness of physical/social distancing:
<https://www.washingtonpost.com/graphics/2020/world/corona-simulator/>

05:11:18 Hafidha - Songaia: Joann - definitely. There are always differences in parenting, and this situation really highlights that. I'm a mom but my 11yo is totally happy to stay inside and play VR, minecraft, draw, and watch movies with me. Baking, late night talking, etc.

05:11:44 Susan Aria Cohousing: They were almost all over 65 and they've read the CDC info.

05:13:15 Becky from Heartwood: That makes sense, Karen.

05:14:00 Ann-Muir Commons (Davis CA): Can we call it physical distancing rather than social?

05:14:08 Ann-Muir Commons (Davis CA): Feels more accurate to me

05:14:18 Linda Tate: Good point, Ann.

05:14:46 Karin H -Wild Sage: Great article by community neighbor of mine:

05:15:12 Hafidha - Songaia: I think "social distancing" is a medical term or term used in science of pathogens or infections.
