Lesson #5:

OWN THE IMPACT

In what ways do you  
experience being **different**  
in your community?

"Anything that's human is mentionable,  
and anything that is mentionable  
can be **more manageable**.

When we can **talk about our feelings**,  
they become less overwhelming,  
less upsetting, and less scary.

The **people we trust** with that  
important talk can help us know that  
**we are not alone."**

-Mr. Rogers
