Cohousing Now!

Introducing Mary Kraus

...as our newest CohoUS BOD member! Mary is a cohousing architect and facilitator who has worked with over two dozen communities in the US and Canada over the past thirty years. She was a founding board member of the Cohousing Network (now Coho US). She lives at Pioneer Valley Cohousing, the first cohousing community in the eastern US, where she can be found preparing dinner in the common house kitchen with her cook team.

Mary will be presenting at the national cohousing conference so be sure to say hi! In fact, keep your eye out for **all** of our [CohoUS BOD members](#) when in Portland!

Why Bequeath to CohoUS

Has living in cohousing enhanced your life?

Making arrangements now to leave a portion of your estate to CohoUS is a positive way to impact the future of cohousing. Meet with your planner and discuss gifting through your will or living trust; and learn how these gifts can reduce your estate tax for your beneficiaries. You may earmark your gift for specific projects such education or advocacy.

We would like to honor you as someone who has arranged for a legacy gift, please contact

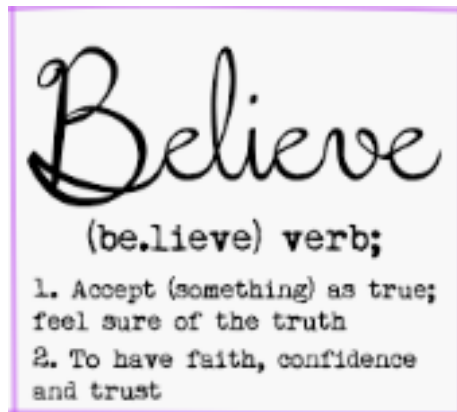

me for further information.
