

## This is what's happening in Cohousing Now!

---

### Cohousing Library

Click [here](#) to submit your recommendations

We're Stocking the Shelves of the Library!

Please share with us any Cohousing or Community related books, videos and articles that you would recommend reading/viewing. Preferably published within the last decade, but we also welcome solid 'classics' !

---

### Our Mission: to Advance Cohousing

We're not saving the baby whales, but we are on a mission to advance cohousing by assisting forming and existing communities, and educating the public about the benefits of cohousing.

We have an incredible vision where every home is surrounded by caring, collaborative neighbors who use less of the earth's resources while living an abundant life.
