

This is what's happening in Cohousing Now!

Cohousing Over Time

Aug 29, 2021
9am-3pm Pac, 12-6pm East

Join us for "Cohousing Over Time" with Keynote speaker:

Sky Blue Embracing Change:

The challenges and possibilities of established communities. Becoming a stable, established community is

something to celebrate. It can also bring a whole slate of problems that may not pose an existential danger, but can drain the life out of a community. This doesn't have to just be the way it is. If we come together and embrace the challenge a whole new world of community is possible.
