Inside or Outside?

In many parts of the US, cooler winter weather is coming and covid is still present. How is your community planning to continue to stay connected? Will you host gatherings inside or outside? Maybe you'll offer both or some interesting combination

of? Please share with us what plans your community is creating! [email us](#)

Why Donate to CohoUS?

We hope your community takes pride in being part of the cohousing movement and appreciates our

national organization keeping us all connected and learning from each other.

We ask all cohousing communities to make a financial contribution to CohoUS every year. Annual donations benefit your community by

1. helping you recruit new members by attracting the public to cohousing and providing credibility for our housing model, and
2. providing learning and networking opportunities to enhance your community.

→ We suggest each community contribute \$300 or more per year, but donations of any size are welcome. You can give online, or send a check to CohoUS, 4710 16th St, Boulder CO 80304. Thank you!
